

One of the easiest ways to increase support for Woman's New Life Center is to utilize company Matching Gift Programs. When an employee of a Matching Gifts company makes a donation, their employers match the donation dollar for dollar. Some companies, even double or triple match!

So a \$100 donation suddenly becomes \$200 in WNLC's mission to save lives and change lives.

How great is that?!

Take a moment to review this list and think about who you know that works for one of these generous companies:
